offee and talk with
a friend, going for walks, trying to exercise a bit, visiting my mum and my friends (who had
already provided me with few 'nieces and nephews' to play with). I also really enjoy US/UK stand-
up comedy. Occasionally I even manage to appear in some museum, a gallery or a theatre. Also I
sometimes spend unhealthy amount of time staring into the abyss of YouTube as every other
millenial...

What am I learning at this point?

- HTML5
- CSS3
- JavaScript
- SQL

What am I learning at this point?

- HTML5
- CSS3
- JavaScript
- SQL
- Bash
- Node.js
- React

I also tried short workshops and e-learning related to introduction to testing (by Czechitas, LBMS).

All my coding efforts can be seen through my [GitHub account](#).

These are simple projects I finished so far along my learning journey:

- Bash
- Node.js
- React
